Images of the San Juans - Historic Selections from the Ruth and Marvin Gregory Photograph Collection

P. David Smith, Marvin Gregory, Ruth Gregory

Step back in time and see how prospectors, miners, merchants, investors, and families settled the mining towns in the gold and silver-rich San Juan Mountains of southwestern Colorado. Telluride, Ouray, and Silverton are well portrayed, as well as many of the smaller towns that are now just crumbling piles of stone and lumber. P. David Smith has also added lengthy captions that explain and point out the particulars of each photograph. This book will really give you an idea of the way it was over 100 years ago in the San Juan Mountains. Featuring more than 250 rare and historical photographs from the private collection of Ruth and Marvin Gregory, this book allows readers to venture into the mines, ride the railroads, and share the catastrophes and celebrations of yesterday's West. Including well-researched and illuminating narratives, *Images of the San Juans Revised*, is the true life story of an awe-inspiring area, its inhabitants, and an ever-enduring pioneer spirit.
