The American South: A History: Volume 1, From Settlement to Reconstruction William J., Jr. Cooper, Thomas E. Terrill, Christopher Childers

In *The American South: A History, Fifth Edition*, William J. Cooper, Jr., Thomas E. Terrill, and Christopher Childers demonstrate their belief that it is impossible to divorce the history of the South from the history of the United States. The authors' analysis underscores the complex interaction between the South as a distinct region and the South as an inescapable part of America. Cooper and Terrill show how the resulting tension has often propelled section and nation toward collision. In supporting their thesis, the authors draw on the tremendous amount of profoundly new scholarship in Southern history. Each volume includes a substantial bibliographical essay—completely updated for this edition—which provides the reader with a guide to literature on the history of the South. This first volume also includes updated chapters, tables, preface, and prologue.
