## **The Monkey Wrench Gang** Edward Abbey

Audacious, controversial and hilarious, *The Monkey Wrench Gang* is Edward Abbey's masterpiece - a big, boisterous and unforgettable novel about freedom and commitment that ignited the flames of environmental activism. Throughout the vast American West, nature is being victimized by a Big Government / Big Business conspiracy of bridges, dams and concrete. But a motley gang of individuals has decided that enough is enough. A burnt-out veteran, a mad doctor and a polygamist join forces in a noble cause: to dismantle the machinery of progress through peaceful means, or otherwise.
