## All he wants for Christmas...

Widower Luke Forrester's fortune can't buy happiness, but he's counting on it to give his twin daughters the magical Christmas they deserve at Poppy Gold Inns. Activities director Carlie Benton, with her upbeat seasonal spirit, *definitely* isn't impressed by money. She's all about holiday cheer and he can't resist.

While Luke and Carlie try to restore the sparkle in his kids' eyes, the heat between them melts the winter chill. And in the season of miracles, anything is possible—including a tempting second chance at love.
