Conquest: A Kydd Sea Adventure (Kydd Sea Adventures) Julian Stockwin

Newly victorious at the Battle of Trafalgar, England now rules the seas and is free to colonize the furthest reaches of the world. Captain Thomas Kydd joins an expedition to take Dutch-held Cape Town, a strategic harbor that will give England a rich trade route to India. With enemies lurking on all sides, Kydd and his men must defend the fragile colony while braving Africa's vast and hostile hinterland. When Renzi learns too much about the enemy's plans, even Kydd may not be able to save him.
