Darian King has never met a challenge he couldn't handle. Running a billion-dollar corporation? Piece of cake. Hostile takeovers? A walk in the park. But when his little sister begs him to plan her wedding, Darian finds himself less than prepared for the task. Luckily, he knows just who to ask for help.

Allison Reed wants nothing more than to leave King Enterprises behind. Being the personal assistant to a man like Darian is a 24/7 job. Asking her to help plan a wedding is simply the icing on the stress-filled cake but to leave she needs a glowing reference and will do anything to get it. Even plan a wedding with the man of her dreams.

Stepping outside the office has unexpected consequences. Darian doesn't believe in relationships, yet he's starting to see Allison in a whole new light. But he doesn't know her secret, and she fears that by the time the vows are exchanged, she won't just be leaving her job behind but her heart as well.
