Supervised

Princess Jones

Supervised Princess Jones

From the Author of the Popular *Super* Series Comes The Next Chapter in This Unconventional Superhero's Story

Audrey Hart has been a Super all of her life. Even with her underwhelming powers, incessant procrastination, and neverending laziness, she has somehow managed to hold onto her Super license all of these years. But after her latest brush with authority, the Council has assigned her supervised probation under the highest ranking Super in her district, Nathaniel Kane.

Audrey has never worked with another Super before. Between Nathaniel's 107-point action plan and his ambitious vision for their district, Audrey doesn't know whether she's coming or going. And if he doesn't like her progress, she skips from supervised probation to permanent punishment. Can Audrey save her district and save herself at the same time?

Supervised is the fourth novel in the Super series, a series of books about an unconventional superhero trying to live an extraordinary life in an ordinary world. For more information on Princess Jones and the Super series, go to www.princessjones.com/super.

From reader reviews:

Christina Evert:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each book has different aim or goal; it means that publication has different type. Some people experience enjoy to spend their time and energy to read a book. They are really reading whatever they get because their hobby is reading a book. Why not the person who don't like reading through a book? Sometime, individual feel need book when they found difficult problem or exercise. Well, probably you'll have this Supervised.

Gabriel Reed:

What do you in relation to book? It is not important together with you? Or just adding material if you want something to explain what the one you have problem? How about your time? Or are you busy man or woman? If you don't have spare time to do others business, it is make you feel bored faster. And you have extra time? What did you do? Every individual has many questions above. They should answer that question because just their can do this. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this kind of Supervised to read.

Maria Trussell:

The actual book Supervised has a lot of information on it. So when you check out this book you can get a lot of benefit. The book was compiled by the very famous author. Tom makes some research previous to write this book. This particular book very easy to read you will get the point easily after reading this book.

Brian Robinson:

In this particular era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become certainly one of it? It is just simple approach to have that. What you need to do is just spending your time almost no but quite enough to get a look at some books. One of several books in the top list in your reading list is usually Supervised. This book that is qualified as The Hungry Slopes can get you closer in turning into precious person. By looking up and review this e-book you can get many advantages.
