## **Home Care Survival Guide** Kay Green, Green

Increasingly, clinical nursing care is being provided in the home. This basic introduction to home care demonstrates how to begin the visit, how home care differs from hospital care, and which concerns are unique to the home setting. The text focuses on the central aspects of home care, and provides six real-life case studies. Charts and tables are used throughout to summarize information and highlight key points. Every chapter concludes with a summary, posing questions for consideration, or a post test and answer sheet.
