Here are more poems bursting to be listened to, chanted, laughed over, and remembered.

It would be hard to find a school-age kid who has not read or heard a Prelutsky poem and who does not want to hear another. He plays with the language and encourages listeners to revel in the game. Puns, jokes, wordplay and shape play, wit, silliness, slapstick, and joy abound. Some of the poems are about people, some are about animals. And some are about things that never were (and that one hopes never will be). Be warned: Listen to a poem once and you will love it. Listen to it several times and it will be part of you forever.
