**A Horrible End: Or, An End to the Horror** Bob Avakian

Published in 1984.

Avakian surveys the contemporary social and political terrain to reveal how and under what circumstances U.S. imperialism might be brought down. Yet what makes this such a compelling study is not merely its insights into revolutionary strategy but its insistence that these issues be viewed in the larger setting of the historical advance toward, and the problems attendant to, the achievement of socialism and communism.

Avakian casts his analytical gaze on the shortcomings of the movements of the 1960s, the recent assaults on Leninism, Marxist-Leninist military theory and experience, the enslaving essence of modern democracy, the role of dissent in socialist society, the centrality of the woman question to the revolutionary process, and the ideological roots of accommodationism and capitulationism within the revolution. Here, as in all his writings, Avakian articulates a Marxism for which revolution cannot be a halfway affair.

A Horrible End, or An End to the Horror is not airy speculation but a lucid and riveting assessment of the problems, tasks, and opportunities that this critical historical period presents to revolutionary minded people. It may be objected to but can no more be ignored than can the imperialists' plans for nuclear war.
