Awesome God: Creation, Commitment and Joy

Sara Maitland

Awesome God: Creation, Commitment and Joy Sara Maitland

This is a wide-ranging book about the relationship between God and contemporary science and culture. This leads into a consideration of how we should respond as Christians to a number of controversial and contemporary issues. The themes are similar to those in her previous book *A Big-Enough God*, which was very successful, but this is presented accessibly for those with no theological training.
