This book and accompanying audio present 38 classic children's songs arranged for solo ukulele. Included are nursery rhymes, lullabies and rounds. Because sing-alongs are an important part of children's playtime, words are included. These arrangements sound wonderful played by musicians of all levels. In the solo style, the lead melody is voiced on the higher strings while chords are voiced on the lower strings. The result is a pleasant, full-sounding arrangement that makes the ukulele sound surprisingly big and complete.
