Semi-Charmed Isabel Jordan

Psychic and paranormal PI Harper Hall isn't that surprised when her business partner skips town. Really, she can't help but feel it's her own fault for trusting a guy named Romeo in the first place. But if Harper wants to consult for the police on a high profile case, she'll need a new partner-- preferably one with some supernatural skills of his own. Enter Noah Riddick, a slayer left jobless by the legalization of vampirism. Riddick's dark secrets and shady past have forced him into exile from human society--an exile he was completely comfortable with until gorgeous and exasperating Harper waltzed into his life. Now, all too aware of how...unlifelike his life has truly been, he agrees to partner with her (as if saying no to Harper Hall was ever really an option). Fighting vampires, making immortal enemies, engaging in semi-sadistic interrogation techniques, staging daring rescues...it's all in a day's work for this paranormal odd couple. But falling in love? Well...that's a little trickier. Even for the Semi-Charmed Harper Hall. Semi-Charmed is a lighthearted, full-length adult paranormal romance novel, completely free of cliffhangers, with a HEA. For readers 18+ only.
