Strangers On Earth

Howard Leslie

Strangers On Earth Howard Leslie

Strangers On Earth broadens and diversifies how we look at youth straying away from God facing temptations of life while melting the readers hearts with the failures of men, immigration issues, and the salvation of sinners. This page-turner is accelerated over hip-hop stylized narratives of a young mans tragic story of a family torn apart by a life of crime who strangely finds solace in the arms of Christ. But how long will it last?
