The Fireside Grown-Up Guide to the Husband Jason Hazeley, Joel Morris

The international publishing phenomenon and ridiculously funny new parody series that helps grown-ups learn about the world around them using large clear type, simple and easy-to-grasp words, frequent repetition, and thoughtful matching of text with pictures.

Have you been having trouble with the How, Why, and Wheres? Well fear no more. The Fireside Grown-Up Guide series understands that the world is just as confusing to a forty-year-old as it is to a four-year-old. We're here to help and break down the most pressing and complex issues of our day into easy-to-digest pieces of information paired with vivid illustrations even a child could understand.

The husband knows many things. For example, he knows how many stairs there are in his house—in case he arrives home too drunk to see them properly. In this *Fireside Grown-Up Guide to the Husband*, you can learn about what husbands like (making simple repairs and then droning on about what a struggle they were), what he hates (being wrong), how often he is really listening (only thirty percent of the time), and many other enlightening facts.
