Verdi's Shakespeare: Men of the Theater Garry Wills

"Riveting . . . a double-barreled salvo that hits two bull's-eyes." —*The New York Times Book Review*

This dazzling study of the three operas that Giuseppe Verdi adapted from Shakespeare's plays takes readers on a wonderfully engaging journey through opera, music, literature, history, and the nature of genius. *Verdi's Shakespeare* explores the writing and staging of *Macbetto* (*Macbeth*), *Otello* (*Othello*), and *Falstaff*, operas by Verdi, an Italian composer who could not read a word of English but who adored Shakespeare. Delving into the fast-paced worlds of these men and the hands-on life of the stage that at once challenged them and gave flight to their brilliance, Wills, in his inimitable way, illuminates the birth of artistic creation.
