Jamie Riley has hit rock bottom. Busted for stealing cars, he's been shipped off to serve time in Port Barren, a stinking hot town stuck between the desert and the sea. The minute Jamie arrives, he can feel something is not quite right about Port Barren—the town has a past it doesn't want to share. After being warned that Port Barren is his last chance before jail, Jamie resolves to serve his time and get out. But when he discovers an old, wrecked boat on the beach and starts asking questions, it becomes obvious that local cop Elliot Butcher has it in for him. As he gets closer to the truth, things start going wrong around town. With no one else to blame, Jamie realizes surviving Port Barren is going to be way harder than he thought.
