From the *New York Times*-bestselling author of the Spenser mysteries.

There is something evil in the air. Fourteen-year-old Bobby senses it. Who is that man he saw arguing with his pretty, new English teacher? And what was the real reason she missed school for days afterward? Bobby knows he should mind his own business, but times are confusing. World War II has just ended and the world is changing. Bobby's world, especially. There's his relationship with Joanie, for one-why does being her friend feel awkward all of a sudden? And then there are his buddies, the junior varsity Edenville Owls-a group of basketball players in need of a leader. Can they help each other off the court as well as they can on it?
