Linux Manual: Everything You Need to Get Started with Ubuntu Linux Mike Saunders

The Haynes Linux Manual offers a complete introduction to free, open-source Linux operating systems, and specifically Ubuntu, which is currently the most popular distribution with new users in particular. The manual comes complete with a bootable CD containing the latest available release of Ubuntu Linux. Readers will be able to trial Ubuntu on their computer by running the CD, or install it alongside (or in place of) their Windows operating system if they so choose.
