What Is Real Karen Rivers

Dex Pratt's life has been turned upside down. His parents have divorced and his mother has remarried. When his father attempts suicide and fails, Dex returns to their small town to care for him. But he's not prepared for how much everything has changed. Gone are the nice house, new cars, fancy bikes and other toys. Now he and his wheelchair-bound dad live in a rotting rented house at the back of a cornfield. And, worse, his father has given up defending marijuana growers in his law practice and has become one himself.

Unable to cope, Dex begins smoking himself into a state of surrealism. He begins to lose touch with what is real and what he is imagining. And then there are the aliens...and the girl-of-his-dreams...and the crop circle.
