One of literature's first, greatest, and most dastardly gentleman rogues finally joins the Penguin Classics crime list

First published in 1900, *A Prince of Swindlers* introduces Simon Carne, a gentleman thief predating both E. W. Hornung's A. J. Raffles and Maurice Leblanc's Arsène Lupin. The British Viceroy first meets Carne while traveling in India. Charmed, he invites the reclusive hunchbacked scholar to London, little suspecting that his guest is actually an adventurer and a master of disguise. Carne—aided by his loyal butler, Belton—embarks on a crime spree, stealing from London's richest citizens and then making fools of them by posing as a detective investigating the thefts. Now back in print after over a century, Guy Boothby's tale promises to delight a new generation of crime fans.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
