Spiritual Seeds: How to Cultivate Spiritual Wealth within Your Future Children

Jon Strain, Pam Strain

Spiritual Seeds: How to Cultivate Spiritual Wealth within Your Future Children Jon Strain, Pam Strain Spiritual Seeds: How to Cultivate Spiritual Wealth within Your Future Children is about "gaining the resources to impart spiritual and social wealth to our children." The authors clarify the division of labor (God's, parents' and children's roles) raising children and letting them leave the nest.

The primary reader base is Millennials, who are open to being spiritually mentored in building a Godhonoring household. Broadly speaking, the content is relevant to parents and grandparents of any age, but is meant to be pre-emptive to the child raising initiative.

The purpose of this book is to give (pre-) parents a tangible model and workable vision for growing their family with God's caring provision. More personally, it's a legacy tool from the authors to our sons and wives to invite them to consider how they will build their home and reach higher with God's enablement.
