## **The Abrams Guide to American House Styles** William Morgan

Now in paperback, this authoritative book on house styles explains the unique characteristics that make a house colonial or craftsman, Modern or Deco, and any of the other approximately twenty styles of domestic architecture common in the United States. At a time of near obsessive attention to home design and renovation, this compact, easily accessible guide—the only book of its kind with all-color photography—makes the identification of house styles a breeze. Multiple examples of each house style are provided—the book includes 350 houses from more than forty states—so the reader can see region-specific variations.

Complementing the beautiful color photographs is a selection of line drawings highlighting each style's key attributes. Beautifully illustrated and impeccably researched, this portable volume is a perfect companion for discerning house hunters and homeowners, realtors, design and construction students, and professionals. For anyone interested in architecture, *The Abrams Guide to American House Styles* is ideal for use at the desk and in the field.
