**The Glorious History of Redemption: A Compact Summary of the Old and New Testaments** John Gresham Machen, James Oscar Boyd

"This book surveys the history of God's redeeming grace. It reviews Old Testament history, disclosing the stream of God's redeeming purposes flowing down through older times. It also reviews New Testament history, disclosing the broadening and deepening of that purpose for us men and for mankind in our Lord and Savior Jesus Christ and his Church." - Harold McA. Robinson First published in 1922, this volume is one of the most precise and concise books I have ever seen that covers the entire narrative of redemptive history from Genesis 1 to Revelation 22. James Boyd, the Old Testament scholar, and J. Gresham Machen, the New Testament scholar, join their efforts to reach the simple and the learned in one book. This book would be perfect as a tool in the family and the church, as it concludes each of the 38 chapters with a series of Questions on the Lesson. THIS IS THE PERFECT BOOK TO GIVE TO A NEW BELEIVER.
