What if you could do it all again? The Unusual Second Life of Thomas Weaver is a Sci Fi/Metaphysical journey about time travel, second chances, what life was really like in the 1970s, and one man's chance at redemption. Thomas Weaver was an ordinary kid, coming of age in the seventies, when a tragedy changed his life. Forty years later, at the end of a life forever changed, Thomas gives up and takes his own life. He is surprised to immediately open his eyes and find himself back in his teenage bedroom, in his teenage body, with all memories intact. The Unusual Second Life of Thomas Weaver asks the question, "What would you do differently, if you could live your whole life over?" With a tragedy to avoid, a serial killer in training, a girl he grows close to, and trying to figure out why he has been given a second chance, there's a lot happening in Thomas Weaver's second life.
