Above and Beyond: The Incredible True Story of Extraterrestrial Contact Lisette Larkins

Wise, mysterious visitors selected Lisette Larkins for spiritual initiation in the fall of 1987. She was a young wife and mother, having mysterious paranormal experiences that only she could see and hear. Initially, she feared for her sanity and the welfare of her son. On top of that, she was struggling with an abusive employer and a failing marriage. Secretly, Lisette's husband arranged for her to be admitted to a psychiatric hospital. Her only possible escape was to apply the spiritual lessons that had first been posed by the strange visitors who had turned her world upside down. Armed only with profound otherworldly guidance, she set out to prove her sanity and regain custody of her son, which were "tests" designed to demonstrate her emerging spiritual mastery in calmly finding solutions to difficult problems with dignity and grace. Lisette Larkins reveals all that she has learned from wise extraterrestrial visitors who are here to help us evolve. Her fifth book, *Above and Beyond*, will initiate you on your journey to become more fully human by revealing the marvels of your immortal heritage and the glorious adventures of eternal life "behind the veil."
