GRAPHICS is a book and CD-ROM set containing a library of AutoCAD symbols and tutorials to aid students and professionals in designing plan and elevation drawings, renderings, presentation materials and construction details. It is extremely user friendly and is perfect to use for design and presentation purposes. Complete with a variety of structural materials to choose from, including stone, brick, signage, free form masonry, elevation and plan trees and shrubs, site furnishings, and site analysis symbols. The textbook contains only a sample of what can be found within the CD-ROM, which is in AutoCAD and PDF format. We hope that this is a helpful hand and computer companion for your continued growth as a student or professional.
