## **Hexen 2.0 Tarot** Suzanne Treister

The *HEXEN 2.0 Tarot* is a 78 card tarot deck designed by artist Suzanne Treister and was originally published alongside the book *HEXEN 2.0*.

The *HEXEN 2.0 Tarot* features 78 alchemical drawings depicting interconnected histories of the computer and the Internet, cybernetics and the counterculture, science-fiction and scientific projections of the future, government and military research programmes, social engineering and ideas of the control society; alongside diverse philosophical, literary and political responses to the advance of technology including the claims of anarchoprimitivism, technogaianism, and transhumanism.

Through representing and re-examining these subjects and histories through the lens of occult belief systems and ideas of the supernatural, the *HEXEN 2.0 Tarot* takes us to a hypnotic, mesmerising space from where one may imagine and construct possible alternative futures.

Acknowledging precedents such as the traditional tarot deck, The Rider-Waite Tarot Deck and Aleister Crowley's Thoth Tarot Deck, Suzanne Treister has here produced a new Tarot, that allows a reader, or a group of readers working collaboratively, to use the cards to reconfigure history and/or map out hypothetical future narratives.
