Forgiven Forever: The Full Force of God's Tender Mercy Joe Beam

A big robber of joy and happiness in life is the resentment we carry toward others and ourselves. Self righteousness may motivate us to harbor the resentment against others, shame causes us to harbor it against ourselves. In both instances the resentment we carry is self-destructive. We must learn to forgive others and ourselves. The life we may destroy if we don't forgive is our own! Joe Beam does an excellent job of helping us understand key biblical texts and our own aberrant behavior with a view toward experiencing forgiveness. A great resource for Bible classes or for one's own personal study, reflection and growth. Don't let pent up anger and resentment devastate your life or that of your family. Get this book and begin healing today.
