What does the Bible have to say about work? This one-of-a-kind Bible resource answers that very question. The Theology of Work Bible Commentary is an in-depth Bible study tool put together by a group of Bible scholars and business-people. The content is from TheologyofWork.org, and has never before been in print. It reveals what the Bible says about all kinds of work and offers insight from every single book of the Bible. This first volume of the multi-volume series covers Matthew through Acts, and other volumes should be expected in 2015.

Pastors will find these volumes helpful as they consider the Bible's perspective on work when teaching on particular passages or topics. Professors may use the commentary to help prepare classes or as a textbook for students. Laypeople may find practical help for workplace decisions, or they may read it as part of their personal or group Bible study.

The Theology of Work Project is an independent, international organization dedicated to researching, writing, and distributing materials with a biblical perspective on work. Its mission is to help people explore what the Christian faith can contribute to ordinary work, and it is developing resources for the most significant topics in today's workplace, such as calling, ethics, truth and deception, motivation, compensation, and more. Books created by the Theology of Work Project include the "Bible and Your Work Study Series," and the "Theology of Work Bible Commentaries."
