John Palliser

Solitary Rambles and Adventures of a Hunter in the Prairies (Classic Reprint) John Palliser

America, to collect the very scanty contents of an imperfect journal which recorded, for the perusal of a few intimate friends, my experiences of adventure in the far West. These kind critics afterwards tempted me to enlarge the circle of my readers, by many assurances of the indulgence which a comteous public extends towards deficiencies of style and composition in a writer, more accustomed to the use of the rifle and hunting knife than to that of the pen. In this age of literature, when so many works of imagination are appearing every day, I should despair of such a mere matter-of-fact story finding any place in the attention or interests of the reading world, did I not âdirmly rely on your sympathies.
