Prince Perkins has learned one important thing in his twenty years: Show no love and have no mercy for people who don't have your back, or for those known specifically as backstabbers. This time around, he's decided to leave behind his street soldier status, taking on a new reputation as a street hustler. By any means necessary, Prince vows to keep his pockets fat with cash and to stay away from the ones who continuously bring controversy his way. That includes his poverty-stricken mother, who refuses to depart from a man who has bruised and battered her for years. Eventually, Prince has to step in to a volatile situation, but the footsteps that he leaves may prove to be too deep.
