## **Surveillance Tradecraft: The Professional's Guide to Surveillance Training** Peter Jenkins

This new surveillance training book has been compiled as the ultimate guide and reference book for the surveillance operative. There is no other comparable book available in the world today in relation to covert surveillance training. This book will guide you through the process of carrying out covert surveillance whether you are on foot or by car, traveling by public transport or in a static rural or urban location. The book also teaches the aspects of digital photography using long range lenses and incorporates a large section on Surveillance Detection by Anti and Counter Surveillance methods. "Surveillance Tradecraft" is recommended reading for the BTEC Level 3 Advanced Award and Advanced Certificate in Mobile & Foot Surveillance and is a must for anyone considering carrying out surveillance training. The manual contains over 470 pages with 500 colour photographs and graphics. "Surveillance Tradecraft" is read by those operating in the security and enforcement sector - Surveillance Operators, Private Investigators, Close Protection Officers, Security Consultants, Enforcement Officers, Police Officers, Corporate Security Teams, Military Intelligence Units, Special Operations Forces, Security Guards and Investigative Journalists.
