The CIA Makes Sci Fi Unexciting: Iran/Contra Affair (CIA Makes Science Fiction Unexciting) Scotty Potty

The latest installment of this pseudo-anonymously penned, informational zine discusses at length the details of Iran/Contra. In 1986 the President was at the helm - secretly selling weapons to our enemies in Iran and then illegally using the profits to fund the anti-Sandinista rebel Contras, in Nicaragua. Relive the excitement - the cake in the shape of a key, world leaders lying through their teeth, and everyone denying responsibility and knowledge that it was even going on in the first place!
