A Baby of His Own Jennifer Taylor

"I would have loved to watch our baby growing inside you..."

Connor Mackenzie was the love of nurse Lucy Adams's life. But when it came to a choice between her or his glittering pediatric career, Connor chose the job. And then she discovered she was pregnant. He didn't know about the baby, and Lucy didn't tell him.

Now Connor is back. Lucy still doesn't know the real reason why he left. She doesn't know how much it cost him—or how much he's missed her. And she doesn't know how determined he is to be a father to their child.
