Apologies Kristin P Bradshaw

Poetry. Women's Studies. LGBT Studies. Apologies. For a new religion? A social-political discourse? A queer's life? All these, in a quasi historical dream-landscape in motion from the 'West' of antiquity toward the 'West' of the U.S. The book is constructed around gaps and fragment to express limitation, isolation... but also the endless possibilities of a "self" in time, in language, in the world.
