Possible that it can be too an fire to the confidence of the world, even in a rude and undigged state. Nor could any little addition of fame, which the author might expect from being it by himself be bad political work, compensate for the loss which the public might find in by such delay. Indeed the jittle pretension, which the author has to fame on the score of writing, have made him in himself but a small success. It is now more than ten years since he has been an alien to all learned studies, and a.
