Higher Biology James Torrance

Higher Biology 2nd Edition is an updated, full-colour version of the bestselling textbook New Higher Biology, and offers comprehensive coverage of the Higher Biology syllabus. Each section of the book matches a unit of the course and each chapter matches a content area. Opportunities for students to demonstrate problem solving skills and develop practical abilities are presented throughout the book, and summaries of the key facts and concepts provide excellent opportunities for consolidation and revision. The most recent syllabus amendments are incorporated, and the re-designed full colour presentation ensures an enhanced and motivating learning experience for students. A with-answers version of the text is also available.
