Seek, and love will find...

All Marcus Granton wants is to be left alone to lick his wounds after the humiliating scandal of his wife's death in another man's bed. Secluded in his moldering seaside estate on the cliffs of the North Sea, he suddenly finds himself host to Lady Lilian Martin, one small child, and an annoying cache of servants all bent on ruining his solitude. Seems the lady got herself into a bit of a pickle and is accused of murder, of all things. Now she must rely on him for protection—and to keep his thoughts and hands away from her delectable body.

Lilian has no intention of spending any more time with the insufferable Lord Marcus Granton than she has to. But at every turn, circumstances force her into his company, and by the time she's ready to make her escape, it's far too late for her...and her heart.
