More Than a Memory Marie James

“You’re gorgeous. Even better looking than the day I fell in love with you.” The words are a constant reminder of what true love is. Olivia Dawson’s alarm goes off at the same time every day and she disappears into her room to hear Duncan’s voice, see his face, miss him even more for being untouchable. Olivia loves with her entire heart, and her love for Duncan is unmatched, but there’s something about her new roommate she just can’t seem to ignore—no matter how hard she tries. **“I miss you so much.” “Can’t be more than I miss you.”** The words are a constant reminder of how unavailable Olivia is, and Bryson Daniels isn’t one for competition off the baseball field, but since the moment he knocked on the door to his new apartment and his roommate “Ollie” wasn’t who he expected, he can’t help but consider bending a few of his rules—even if it means heeding to Olivia’s. **“I love you, sweet cheeks. Chat with you later?”** Bryson hears the conversations through the paper thin walls, but there’s a pain inside Olivia he can’t seem to walk away from. He vows to be there for her when the voice on the other side of the computer inevitably breaks her heart, but will he ever be able to compete with someone who’s more than a memory?

From reader reviews:

Michael Naylor:

Here thing why that More Than a Memory are different and reliable to be yours. First of all reading a book is good but it really depends in the content than it which is the content is as scrumptious as food or not. More Than a Memory giving you information deeper and in different ways, you can find any guide out there but there is no reserve that similar with More Than a Memory. It gives you thrill studying journey, its open up your own personal eyes about the thing in which happened in the world which is perhaps can be happened around you. It is easy to bring everywhere like in park, café, or even in your way home by train. In case you are having difficulties in bringing the branded book maybe the form of More Than a Memory in e-book can be your alternative.

Jean McFerren:

Nowadays reading books become more than want or need but also work as a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The data you get based on what kind of e-book you read, if you want drive more knowledge just go with education books but if you want sense happy read one together with theme for entertaining including comic or novel. The particular More Than a Memory is kind of guide which is giving the reader unpredictable experience.

David Manning:

Your reading 6th sense will not betray an individual, why because this More Than a Memory book written by well-known writer who really knows well how to make book that can be understand by anyone who else read the book. Written with good manner for you, dripping every ideas and composing skill only for eliminate your hunger then you still question More Than a Memory as good book but not only by the cover but also from the content. This is one book that can break don't assess book by its protect, so do you still needing an additional sixth sense to pick this specific!?! Oh come on your reading sixth sense already told you so why you have to listening to another sixth sense.

Cindy Mattis:

With this era which is the greater person or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple way to have that. What you need to do is just spending your time very little but quite enough to possess a look at some books. Among the books in the top checklist in your reading list is definitely More Than a Memory. This book which is qualified as The Hungry Inclines can get you closer in becoming precious person. By looking right up and review this e-book you can get many advantages.
