Sams Teach Yourself Dreamweaver 3 in 24 Hours is tailored specifically to help you fully exploit the power of this sophisticated Web development tool. The book does not dwell on elementary Web page authoring techniques, but focuses more on intermediate-level Web development topics. Discover ways to quickly build a dynamic Web site, employ client-side image maps and interactive forms on a site, and set up frames with Dreamweaver's click-and-drag functionality. You'll also see how to add interactivity to HTML pages with CGI scripts, JavaScripts, applets, and controls, add audio, video, and other active content while being able to preview it at design stage, and create a third dimension to a Web page with Dynamic HTML layers. Learn how to easily use the Web technologies such as XML and SMIL and manage a Web site more effectively.
