The True Petition Of the Jesuits: Verus Jesuitarum Libellus Unknown Author

The True Petition of the Jesuits is one of the stranger grimoires ever crafted by the hands of man. Spuriously attributed to the date of 1508, it is now recognized as dating to a half century or more later. The work focuses upon repeated, exorcism-like summoning rituals designed to obtain wealth and call forth, constrain, and punish demons. Perhaps a thinly veiled attack on the Jesuit order, it proclaims itself as a literal guide to the calling of demons.
