## **The Winter Queen** Jane Stevenson

An immensely moving account of a strange and magical interracial love affair, *The Winter Queen* illuminates the Netherlands of the seventeenth century. Amid the dark ambiance of the time, the exiled Queen Elizabeth of Bohemia and Pelagius, a West African prince and former slave, fall in love and secretly marry. With great erudition and compassion, Jane Stevenson vividly renders both a portrait of an extraordinary relationship and a tumultuous political history. Set against a historical backdrop enriched with the art, philosophy, and religion of the Dutch Golden Age, "scene succeeds scene in Vermeer-like richness of color" (Memphis Commercial Appeal).
