## **Beyond Hitler's Grasp: The Heroic Rescue of Bulgaria's Jews** Michael Bar-Zohar

As the world moved towards WWII, King Boris III of Bulgaria strove to stay neutral. But by 1939, Bulgaria was an unwitting ally of Germany forced to follow Nazi dictates, including the deportation and execution of all 50,000 of its Jewish population. Beyond Hitler's grasp is the dramatic true account of the Bulgarians conspiracy to outwit the Germans - and keep every one of Bulgaria's Jews from ever being deported. This monumental work actually reads like a thriller, involving beautiful spies, the Church, a secret mole, and a compassionate king committed to his countrymen.
