When Coach John Wooden graduated from eighth grade his father gave him a handwritten card and said, "Son, try to live up to this." On the card, his father had written seven simple yet profound life principles:

Be true to yourself

Help others

Make friendship a fine art

Drink deeply from good books, especially the Bible

Make each day your masterpiece

Build a shelter against a rainy day by the life you live

Give thanks for your blessings and pray for guidance every day

These principles were the key to Coach Wooden's greatness--and his goodness. Through powerful stories and pithy advice, this book shares the wisdom that made Wooden happy and successful. This inspirational and conversational book will encourage, challenge, and motivate readers to build these principles into their own lives.
