As people continue to wonder why God would allow calamity to sweep the nation in the form of school shootings, terrorist attacks, and natural disasters, author David P. Hill Jr. looks to bring Christ-centered answers to troubled Americans in *The Shaking of a Nation*.

Hill not only clearly explains the problems of our fallen nation, but he also articulates what Christians can do to be a part of the solution. The pages of both history and the future will come to life as Hill teaches about God's sovereignty, His special purpose for the church, and His good plans for the United States.

Even as Americans continue to ignore and reject God, He is offering the great people of the United States a divine wake-up call. Having walked in disobedience too long, God is calling Christians to intercede on behalf of America. Will you be a bridge between God and a nation that has gone astray?
